Birmingham County Women's Football League

The Open Age plays their first Premier division match at home on the 20th September against last season's fourth placed Atherstone Ladies.

RUGFC Goes electronic

The club is making moves towards joining the information age with this new e-letter, but are you aware of the clubs website?

If not pay a visit to

www.rugfc.co.uk

There is loads of info about the club, its players & history. Last season saw quite a lot of interest in the clubs Top Goalscorers Table displayed on the homepage.

There is also a Facebook group Redditch United Girls FC where you can link up with & chat with fellow players, parents etc.

U13's go 9 a-side

This season will see the Jets & Jewels venture into new territory as they make the move from 7 a side.

This would normally mean the leap to playing 11 a side on a full size pitch. No longer there is now for the first time the option to play 9 a side on a $\frac{3}{4}$ pitch. This move takes them into a new era for RUGFC; they are our first to do this.

The girls benefit from a smaller pitch and smaller goals, they will however still have to learn the offside rule.

This is where parents/supporters can help managers Paul & Graham. They will have their hands full, in having what is currently their entire squad on the pitch at one time, without having to run the line as well.

So go on volunteer it is great fun & reasonable exercise

Don't know who it is? Here is a clue. Clubs top scorer last season.

Got a team photo, send it in we can use it here & on the website.
