Under 10 | Under 12 Jets/Jewels | Under 13 | Under 14 | Under 15 | Under 16 | Open Age Women

Dear Parents & Players of all ages,

Firstly let me introduce myself as the new Webmaster for RUGFC. Over the last 12 months our daughter has been training and playing for the under 12 Jets. After the call to help from the committee to support the club as parents we decided to take on the web site and club merchandising.

So what's changed....

Quite a lot over the last few months, we have been working on the new web site and online shop to secure a clear source to expand the merchandising. The below details capture a small amount of the changes currently underway for the club in it's 14th year, Parents, Grandparents, players and supporters need to come together to support where they can just as Sam and Myself have done.

What are we asking for...

Our busy life styles always make it difficult to be in several places at once. Support takes on many forms and the web site and merchandising is one small part of the club where we have helped but still needs your support.

How can you help...

Visit the web site, comment on the blog and leave your positive comments on the guestbook. All this helps promote a club where parents, players, managers and supporters really do stand to be counted on and off the field.

We also have regular committee meetings that take place on the 1st Monday of every month. The club would love to see Parents, Grandparents and Supporters on a regular basis or even if you can attend once or twice a year across the 90+ girls families and friends playing today would make all the difference.

Our Snapshot of changes

The new www.rugfc.co.uk web site is now online: All the former web site details plus updated tables, new content and all new Top Scorers across the club.

Updated email addresses for all managers, committee members, secretaries and much much more.

Have you registered your email? Get the latest information by mail from the web site, sign up today at www.rugfc.co.uk

Our all new Blog is now online: OK it's the new buzz word... In my day it was simply a web forum, now it's Facebook, MySpace and You Tube. New to the site and very early in development but you have a local space to communicate to the RUGFC community

Tables and Results: All new tables and results listed on the site covering all the teams and how we are performing. All this saves you searching the net on various sites to see the results or find out what is happening.

Managers Match Reports and Supporters Comments: Been to a match, thought the girls played well? Why not pass on your thoughts via the match reports. Could not resist submitting a report after watching the match when my daughter scored the first goal for the under 12 jets this year... Come On the Reds !!!

Match Supporters: The Under 12 Jets have enough supporters now to have their very own Mexican wave! How cool is that.... OK I have not been to all the other games and I'm sure each team has its dedicated weekly support but if you have not been yet try to make the next match. It really does mean a lot to the mangers and players to see support for the hard work put in each week.

Remember **RESPECT**: Visit the www.rugfc.co.uk for details on the FA rules for supporters.

Conclusion

Hopefully the above details have given you a small insight into the new information available to everyone on the web site for all to enjoy. Feel free to contact me via the web using the web mail webmaster@rugfc.co.uk
